

Hostellerie du Villard

More a guest house than a traditional hotel

Charming rooms and creative cuisine in upper Lozère.

Our establishment with patrons' garage will allow you to spend a pleasant stay in Lozère (the land of the Gévaudan beast) in an original, authentic and very cosy setting where you will find the pleasure of living at the rhythm of the seasons and in harmony with nature.

Far from radio frequencies, the noise and stress of big cities, 2 km from our XIIIth century medieval city, with the only background sound the crowing of the cock.

Four charming rooms and a suite and no more!

Take advantage of a quiet and serene place where silence is king. In your room, you will be settled in comfort and complete peace. In the hallway, in the reading lounge or in your room, you will certainly encounter companions such as creativity and dreams during your stay.

From a balcony, with a book in your hand, you can contemplate the valley and, raising your eyes towards the horizon, see the tower of Apcher. You will have the impression of being alone in the world. You may suddenly get a very strong urge to write, to draw or to paint, or simply to watch time pass by and say to yourself : " this is the place for me ".

All the flavour of natural products for home-made cooking from starter to dessert.

Savour traditional cooking in local colours : no microwave, no freezer, only the market dictates its law, that of the seasons.

Nothing but natural elements to create the dishes : only fire, spices, and fresh products which come to party in the pot under the eye of the Chef. You will enjoy the pleasures of our table with a cuisine based on products directly from the best growers, craftsmen, farmers and refiners....cooking which reflects our lifestyle and which is good for you.

Relax in a peaceful and unique place offering short stays, weekends or perfect holidays.

We can organize together: one-night stop-overs, seminars, receptions, banquets, meals for families or friends and any other event of your choice.

Our theme holidays: cooking courses, photographic courses, fishing, pony trekking or walking...
